Machine Range/Output

- This Robocut divider is fitted with an automatic blade raising function that makes cleaning of knives both quick and easy and eliminates the need for blocks.
- The heavy duty construction of the Robocut divider ensures users of trouble free operation.
- The divider has a maximum of 20kg capacity and operates in a weight range of 150 - 1000 grams and will divide into 20 equally weighted pieces.
- To ensure operator safety a positive lock latch secures the lid.
