SIL1215M

Moffat offers a comprehensive range of equipment manufactured locally or sourced from some of the world's industry leading brands. With an extensive sales and support network, our products are backed by the knowledge and experience gained from a long and rich history in the baking industry.

Moffat bread slicers are available in a range of slice thicknesses to suit your slicing needs. Featuring long stroke slicing technology made possible by our treadle drive system, our bread slicers offer quiet and vibration free operation with the highest consideration for operator safety.
