Cl2		0.1

*Water consumption rates may vary based on site conditions
 Isolating switch must be within 1m of, and not directly behind, the machine
 Refer to operator manual for installation instructions

In line with policy to continually develop and improve its products,
 Washtech reserves the right to change specifications and design without
 notice.

Corner installation: machine must face left for access to controls; allow 300mm
 front clearance for service access; and splashback return <150mm.
 Inline installation: front panels can be adjusted to 605mm leaving upper 80mm sill
 only at 650mm; for sites requiring full cabinet <650mm, order WXP0031.
